A WORD FROM THE EDITOR

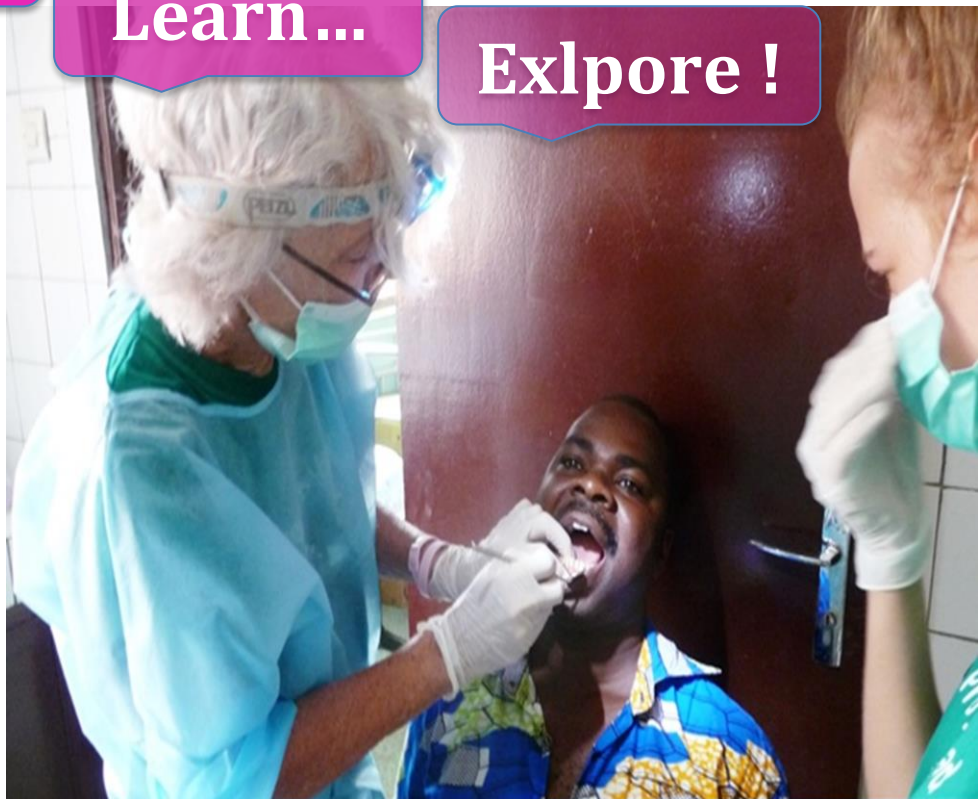

In spite of the numerous positive results which we obtained this year at Projects Abroad Togo, challenges bring us to straighten us, by demonstrating more efficiency, transparency, pragmatism, a greater responsibility, a good dose of anticipation and creativity and the culture of excellence. Thanks to you all and in particular to our volunteers for your encouragement and your support.

Séance de discussion avec le corps enseignant du CEG ATTIKPA sous le theme: LA DISCIPLINE EN CLASSE.

Séance de discussion avec le corps enseignant du CEG ATTIKPA sous le thème: LA DISCIPLINE EN CLASSE.

Prenant la parole, la coordinatrice des volontaires à Projects Abroad Togo Jenny PUYO a évoqué le problème que rencontrent nos volontaires dans les établissements scolaires en matière de discipline en classe et leur a proposé après la séance de discussion, un document sur la Discipline Positive. Le directeur de Projects Abroad Togo Kwame ADZAKPA s'inscrivant dans la même logique a exhorté le corps enseignant à essayer cette nouvelle méthode au lieu du châtiment corporel.

Les volontaires Cecilie, Brayden, Elisabeth et les enseignants ont respectivement partagé leurs expériences sur ce thème. Les enseignants à travers leur directeur ont remercié cette initiative de Projects Abroad Togo qui encourage l'échange culturel, une des missions de Project Abroad et pensent que ces genres de rencontres doivent se multiplier dans leur collège et d'autres établissements scolaires.

Volunteers Stories

Care Project in Togo with Tatiana Hansen & Anna Olesen

These two bright Danish volunteers, Tatiana Hansen and Anna Olesen, were chosen as outstanding volunteers for their acts of kindness towards the children of Orphanage COR in Togo. These young ladies personalised the orphanage's playground with a slide, swing-chair, two play horses and a balance-swing, with money they raised. This act of selfless giving coincided with "International Mandela Day", both in date and act; the children, whose playing-equipment was incredibly scarce, now have the chance to really play, and will no longer be subject to the isolated rooms of the orphanage. Thank you for leaving behind a legacy of joy and play for all the children of COR.

VOLUNTEER QUOTE ~ of the week ~

“At the end of the road I can say I have never felt so different as I do now, when I look back at the path I took, at the things I did and saw I can safely say the boy that came to Togo is gone and the man I am now is ready to move forward, and bring what learned and the experienced I gained with me.”

About our projects

Volunteering in Togo with Projects Abroad.

Togo is an exciting, yet unusual place to spend some time on a volunteer project or work experience placement. Our voluntary projects in Togo are available for anyone interested in volunteering in the developing world, including those on a gap year, career break or as summer work experience while studying. Volunteers can take part in Agriculture & Farming, Teaching, Care, Law & Human Rights, Journalism, Medicine & Healthcare, Arts & Crafts, Sports (basketball and football) and Language Course projects (Ewe and French).
